TASTINGS ON HASTINGS EXHIBITOR CALLOUT

Applications are now open for local farmers, food producers, wine growers, brewers, restaurants, cafes and artisans to secure their spot at Tastings on Hastings 2017, proudly presented by Port Macquarie-Hastings Council.

Stalls are filling fast for this year's event which will see some changes to previous years, most noticeably combining the Main event and Tastings Ignites into a one day extravaganza on **Saturday 28 October between 2pm and 9pm.**

"Tastings on Hastings is a unique event that offers a great opportunity for local food and beverage businesses to showcase their outstanding products," said Deputy Mayor Lisa Intemann.

Exhibitor applications are open to businesses that fall within the 'locavore' boundary of a 100 mile radius of the Port Macquarie-Hastings region. This encompasses everywhere from Woolgoolga in the north to Armidale in the west and Nelson Bay to the south. Those interested in exhibiting are encouraged to act quickly as spaces are limited.

"Council encourages local producers, farmers, restaurants, cafés and artisans to get involved in this year's Tastings on Hastings event by putting their great produce, crafts and creations on display," added Deputy Mayor Lisa Intemann.

Exhibitor places are limited. Those interested in exhibiting are encouraged to download the Exhibitor Application Kit at tastingsonhastings.com.au or contact the Exhibitor Coordinator at tastings@pmhc.nsw.gov.au.
